**Producer**  
**3V GREEN EAGLE S.P.A.**  
Via Fatebenefratelli, 20  
20121 Milano (MI) - Italy

**Production site**  
Via C. Colombo, 45  
24050 Grassobbio (BG) - Italy

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

**Filler Aggregates resulting from an industrial process**

placed on the market by

**3V GREEN EAGLE S.P.A.**  
**Via Fatebenefratelli, 20 - 20121 Milano (MI) - Italy**

and produced in the factory

**Via C. Colombo, 45 - 24050 Grassobbio (BG) - Italy**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body

**- 0620 Kiwa N.V. -**

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13043:2002

Aggregates for bituminous mixtures and surface treatment for roads, airfields and other trafficked areas.

were applied.

This certificate was first issued on 18 March 2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
